Our Few Renowned Logos of Similar Industry:**Few Testimonials of Similar Industry:**

Since implementing Spine , we have experienced a significant improvement in efficiency, accuracy, and overall payroll management. The user-friendly interface, coupled with the robust features of your software, has streamlined our payroll operations, and reduced the time required for payroll processing. I would like to commend your customer support team for their responsiveness & expertise.

VINOD KARAMBELKAR Inter Touch Hospitality (i) pvt. Ltd.
(HR & Admin Manager) **Using since, 2018**

We are pleased to recommend Spine Technologies Pvt Ltd which offers a flexible solution. They understood what challenges we faced & offered a solution that could fit with our organization & not the other way round, which many other suppliers do. Spine Attendance & Payroll software has made it easy for us to choose what modules we felt were necessary as per our organization requirements.

INFRASTRUCTURE

We are using Spine HR since 2010.

We would like to thank, for all your quality products, services, valuable guidelines and support extended to the organization.

We believe that we will be able to serve all our stakeholders in future **with our long-term relationship and business support.**

Looking forward to a long business association with your esteemed organization.

HOSPITAL

We have been using Spine 2006.

Spine HR Software has easy user interface & unlimited options that have reduced the time required for the tedious work of payroll processing & leave management. The Support Team of the company, who are quick & efficient at resolving queries.

CHEMICAL

We have been using the software from 2002 and around 2013-14 we added a couple of Spine HRMS modules in the list.

In the year 2021, we had a seamless migration to Payroll NX. Our experience with the Spine team has been very pleasant and without any hesitation I would recommend it to others. Thank you for the support and hope to continue our association in the years to come.

HOSPITALITY

Pan India Food Solutions Pvt. Ltd.

We are associated with Spine Technologies since 2018. As an HR, I've worked on multiple payroll software in past. However, the simplicity of Spine Payroll makes it the best till date, in my experience. The eagerness of support team to resolve any queries raised, with positive & down to earth attitude is icing on the cake.

I would like to extend my gratitude to entire team of Spine for making the Spine Payroll a truly user-friendly app.

ENGINEERING

I have found it to be an extremely valuable tool in my work, it has made my job much easier.

I have found support team at your company to be extremely helpful & responsive.

Any issues or questions that I have had have been addressed quickly & efficiently, which has allowed me to continue to use the 'software without any major disruptions.

LOGISTICS

Since our inception in May 2017, we are using Spine for our Payroll and HRMS activities and we are having an excellent experience with Spine Software.

Spine Team keeps the Software UpToDate by time to time upgrading and is always in line with existing taxation rules. The enhanced facilities like mobile app and alert messages are also very useful.

GEMS & JEWELLERY

We have used Spine Software since last 6 years.

Spine Software report efficiency and effectiveness is perfect. Whenever we get Query in report, Spine team give us support and response.

Spine Team is helpful to us.

FMCG

SPINE TECHNOLOGIES has delivered exceptional services in both technical support & customer support. Their team demonstrated a high level of expertise, responsiveness & dedication to their customers. I extend my sincere thanks to the entire SPINE TECHNOLOGIES team for their unwavering commitment to excellence. I will undoubtedly continue to be a loyal and satisfied customer.
Thank you, SPINE TECHNOLOGIES!

TEXTILE

We have been using spine software since August 2020. The software has all required features for easy to use & it is user friendly as well.

Every month the spine executive ensures to call and checks with us if there is any query or issues in the operation. This is very much appreciated by us. We had received very good training support, regular follow up, regular backup of the data, etc.

AUTOMOBILE

We sincerely appreciate your efficient, gracious customer service, the level of detail & accountability you have demonstrated on each of our query. Your software has surely brought in efficiencies in our way of working and has helped all employees, especially the HR team.

We are truly delighted by the level of commitment & professionalism demonstrated by your team. We look forward to a long-term business relationship with you.
